Roadshow 2026

IGP ON TOUR

Next Stop: Your Company

Experience powder coating expertise where it counts: right at your premises. The IGP Truck brings over 200 display items, state-of-the-art coating equipment, videos, and live demonstrations. Accompanied by our experienced team of experts, it becomes a mobile workshop platform where we answer your questions about powder coating and develop customized solutions.

Expertise that gets you ahead – experienced on site.

We focus specifically on your current challenges and future needs. Your employees experience powder coating in a practical way – for greater efficiency and quality in their daily work.

Dates & regions

Our truck will be touring Europe from June to October 2026. Secure your preferred date now – places are limited.

Your advantages at a glance

- + **On-site:** Workshop directly at your location—no travel time or expenses
- + **Free of charge:** Complete package including consulting, training, and food
- + **Customized:** You define the topics and focus areas for your employees
- + **Flexible:** From compact team training to intensive 1:1 expert exchange
- + **Experienced:** Benefit from the expertise of our powder coating specialists
- + **Sustainable:** Your questions and suggestions are documented and followed up on
